

24" Built-In Bottom Freezer Refrigerator With Ice Maker

Panel Ready

S22BFR700IMBIP

Savalo

KEY FEATURES

- Energy Star rated built-in refrigerator and freezer with 8.37 cu.ft of total storage capacity and panel-ready design for seamless integration into custom cabinetry.
- Total No Frost cooling system automatically prevents frost buildup while maintaining consistent temperatures throughout the refrigerator and freezer compartments.
- Smart cooling functions, including Smart Mode, Super Cooling, and Super Freezing, help preserve food freshness and quickly restore ideal storage temperatures.
- Full-cover backlit LED lighting provides bright, uniform illumination throughout the refrigerator compartment.
- Refrigerator compartment features three safety glass shelves, three door bins, a dedicated wine rack, dual crispers, and a special chiller zone with temperature control from 27°F to 37°F.
- Freezer compartment includes three storage drawers with automatic defrost operation and an integrated automatic ice maker.
- Available with fixed hinge or sliding hinge configurations to accommodate a variety of cabinetry and installation requirements.

CAPACITY

Refrigerator	6 cu. ft.
Freezer	2.37 cu. ft.
